Application Eligibility Flow Chart

Is the applicant a 501(c)(3) organization or if not, collaborating with a 501(c)(3) organization?

Yes — No

Does the 501(c)(3) organization serve one or more NJ overburdened communities?

No →

The applicant must collaborate with a 501(c)(3) organization that serves one or more NJ overburdened communities and is not a government entity, K-12 school, or institution of higher learning. The applicant must have a signed letter from the CBO confirming that they are in collaboration with the applicant.

Yes

Is the 501(c)(3) a government entity, K-12 school, or institution of higher learning?

Yes →

No

The application meets the CBO eligibility requirements. The applicant is welcome to collaborate with other entities but it is not required.

A CBO is a Community Based Organization defined for the purpose of this grant challange as a 501(c)(3) non-profit organization with demonstrated experience serving a NJ Overburdened Community as defined by NJ's Environmental Justice Law that provides direct services or supports to a specific geographic NJ community(ies) or specific segments of a New Jersey community(ies). For the purposes of this Challenge, government entities, K-12 schools, and institutions of higher learning do not qualify as CBOs.
