| <p>Funding Source</p> | <p>\$10,000,000 million (FY 2023 state budget appropriation) American Rescue Plan (“ARP”) Coronavirus State and Local Fiscal Recovery Funds (“SLFRF”) <i>5% (\$500,000) to be used for EDA’s program administration costs</i></p> |
| <p>Program Purpose and Products</p> | <p>The Real Estate Gap Financing Grant Program pilot program is established with funding of \$10,000,000 to provide grants for real estate development projects located in distressed municipalities as defined below that require gap financing and that address the negative economic impacts of the COVID19 pandemic. Consistent with other Authority programs, the Real Estate Gap Financing Grant Program is established to mitigate the negative economic impacts of the COVID-19 pandemic and will provide grant funding to support real estate new construction or substantial rehabilitation projects located within distressed municipalities.</p> <p>All projects must be undertaken and completed within SLFRF timeframes which mandate project completion by 12/31/26. Applicants must confirm that they are aware and agree that the real estate projects proposed in their application can be completed by 12/31/26 (as per US Treasury).</p> |
| <p>Eligible Project Locations</p> | <p>The project location must be located within a municipality ranked in BOTH the top 20% of the Department of Community Affairs 2023 Municipal Revitalization Index and the top 20% of Commuter Adjusted Population as described below. Although the cities of Atlantic City, Camden, Newark, New Brunswick, Passaic, Paterson, and Trenton meet the above location eligibility criteria, EDA has recently targeted significant other program funding to these cities, including the Activation, Revitalization, and Transformation (A.R.T.) Program Phase I, the Urban Investment Fund Grant Program, and the Atlantic City Revitalization Grant Program and, therefore, project locations in these seven municipalities are not eligible.</p> <ul style="list-style-type: none"> • Top 20% of municipalities within the 2023 Municipal Revitalization Index (MRI). The MRI serves as the State’s official measure and ranking of municipal distress. The MRI ranks New Jersey’s municipalities according to eight separate indicators that measure diverse aspects of social, economic, physical, and fiscal conditions in each locality. The MRI is used as a factor in distributing certain “need based” funds. • Top 20% of municipalities based on Commuter-Adjusted Population (2018-2022 American Community Survey 5-Year Estimates) <ul style="list-style-type: none"> ○ This is “Daytime Population” which is the calculation of Total Resident Population + Total Workers Working in Area – Total Workers Living in Area. |

| | <p>Projects that have started construction are not eligible. Construction, including demolition and remediation, cannot start until EDA’s approval of the application. All projects will be subject to compliance with New Jersey prevailing wage law and the Public Works Contractor Registration Act (N.J.S.A. 34:11-56.48 et seq.) which require all contractors, subcontractors, or lower tier subcontractors (including subcontractors listed in the bid proposal) who bid on or engage in the performance of any public work in New Jersey to register with the NJ Department of Labor and Workforce Development.</p> <p>Per US Treasury deadlines and federal SLFRF requirements, all Program funds must be expended by December 31, 2026. Therefore, project readiness to proceed and ability to complete the project within the program timeline requirements will be a key funding consideration.</p> |
| <p>Eligible Applicants</p> | <p>Eligible applicants are for-profit or non-profit entities (each, an “Applicant” or “Developer Entity”). Applications are limited to one application per EIN. Any city, State, or county entity and any state colleges or universities are not eligible to apply for this Program funding, including any such government entity that may also have a non-profit status under federal law.</p> <p>Applicants must be in substantial good standing with the New Jersey Department of Labor and Workforce Development, New Jersey Department of Environmental Protection, and NJEDA prior to approval. The Program requires Applicants to provide a current tax clearance certificate at application to demonstrate the applicant is in good standing with the New Jersey Division of Taxation, unless the applicant is not required to register with the Division of Taxation.</p> |
| <p>Application Process</p> | <p>The Program will be a competitive grant program with applications due by a set deadline. Online applications will be accepted during a defined, minimum 60-day application period, and all applications will be reviewed following the closure of the application period. Applications are limited to one application per EIN.</p> <p>The Authority will accept questions regarding this program during the first 30 days following application launch. Questions and responses will be posted on the Authority’s webpage for this program.</p> <p>As part of a Program application, the Authority will request information about the proposed project, which may include, but which is not limited to:</p> <ol style="list-style-type: none"> 1. Project description of overall project proposal describing building to be rehabbed/new construction proposed, property/site details and location information, existing conditions of the building/property, and the proposed project type/building use |

Project financial information including development budget, sources and uses, project feasibility, and evidence or status of financing 6. Project development timeline/implementation schedule indicating readiness to proceed, status of funding, permit and other approvals, and ability to complete the project within the program timelines 7. Applicant’s organizational documentation 8. Applicant’s experience and capacity to undertake and complete the proposed project; <p>Note that readiness to proceed and project development timelines for completion will be scoring factors. Applicants should provide as much detail as possible regarding the steps involved and projected timeline for undertaking and completing the proposed project if Grant funds are awarded.</p> <p>The Authority will perform a review of applications after the closing of the application period. Applications will first be reviewed for application completeness to ensure that all necessary application information and documents are submitted and complete. Applicants will be given ten business days to cure any deficiencies. If at the end of the cure period, the applications are still incomplete, they will be notified the application will not be advancing to be scored and will be deemed nonresponsive.</p> <p>At the sole discretion of the Authority, staff may ask for clarification of the information included in the application, including but not limited to narrative responses, supporting documentation, and attachments.</p> <p>A Duplication of Benefits review and cost reasonableness analysis will be completed prior to any project being approved.</p> |
| <p>Review Factors for Funding Consideration</p> | <p>Applications will be reviewed and scored by staff of the Authority formed as an evaluation scoring committee. Applications will be scored on a scale of 0 - 100 points, with award recommendations limited to applications that meet or exceed the minimum score requirement of 65 points.</p> <p>Scoring factors and points will include:</p> <ul style="list-style-type: none"> ▪ 30 % Overall proposal concept (Proposed community and economic impacts/benefits of the project, project location, participation of Small, |

| Board Approval | <p>Following application review and processing as described above, applications that meet or exceed the minimum score requirement of 65 out of a possible 100 points will be recommended to the Board for award approval starting with the highest scored application until all the Program funding is awarded.</p> <p>If an applicant requests grant funding for an eligible project but there are not sufficient Program funds available to fund the full grant request, the Authority will inform the applicant of the amount of grant funds available. If the applicant wishes to proceed, the applicant will be required to commit to and then fund the difference to fill the gap to ensure the submitted project proposal is undertaken as described.</p> <p>If all program funds are not awarded during the initial application period and/or if additional Program funds become available, then applications will be reopened on a rolling basis and grants awarded on a first come, first served basis to eligible applicants that meet the minimum score (subject to the limit on awards per municipality).</p> <p>All eligible applications will proceed to the Board for approvals, and all applications which have not been declined due to non-discretionary reasons will also proceed to the Board.</p> <p>As a pilot program, decisions based on non-discretionary reasons are subject to the existing delegated authority. Accordingly, the CEO will delegate authority to the appropriate staff on all appeal decisions for non-discretionary reasons.</p> <p>To ensure that federal expenditure deadlines are met, staff recommendations to the Board for approval of applications will include timelines and anticipated project development milestones to be met and will indicate that if timelines are not met, then the Authority may recapture or require repayment of Grant funds and/or the Applicant may no longer be eligible for any remaining unused grant funds.</p> |
| Grant Funding | <p>In order to provide Grants and support projects by different entities and in several different municipalities, no applicant (and or applicant related entity) may receive more than one grant award and only one application will be funded in any one municipality.</p> |

| | <p>Minimum grant funding request would be \$500,000 per project.</p> <p>Maximum grant funding request would be \$5,000,000 per project.</p> <p>Program grant funding may not exceed 50% of the total of all project development costs within the approved application. Property acquisition costs/equity are not to be considered as part of total project development costs.</p> <p>Program grant funding can only be used for the real estate project costs specifically approved based on the application, Authority review, and funding grant agreement. Project costs may include hard construction costs with a maximum 10% contingency, soft costs not exceeding 20% of total project costs and developer fee not exceeding 10% of total project costs or as otherwise allowed by another State agency providing funding to a project. Acquisition funding and operating costs are not eligible.</p> <p>All project costs and Grant funding are subject to federal Duplication of Benefits requirements and a cost reasonableness analysis will be undertaken prior to project approval.</p> |
| <p>Grant Agreement and Funding Disbursement</p> | <p>Following Board approval, the Authority will enter into a Grant Agreement (“Grant Agreement”) with the applicant detailing the project to be funded, eligible project costs, the amount of grant funding, and all financial programmatic requirements including the amount of other funding as may be applicable. The Grant Agreement will detail timelines for the project based on the project schedule included in the application and the project approval. At the Authority’s sole discretion, the Authority may grant timeline extensions. The Grant Agreement will indicate that, to comply with federal funding requirements, all projects must be fully completed, and all funds fully disbursed by 12/31/2026.</p> <p>The applicant shall be responsible for assuring the compliance of the project with all terms and conditions of the application, Grant Agreement, and the Program funding requirements.</p> <p>The Grant Agreement will detail state requirements. All projects shall be subject to compliance with New Jersey prevailing wage law and compliance with other labor standards requirements, as well as other state requirements which may be applicable depending on project details and funding amounts including possibly New Jersey Executive Order 215 of 1989 regarding Environmental Assessments. No construction can have started on any project prior to execution of a Grant Agreement.</p> <p>Additionally, the Grant Agreement will have a deed restriction indicating that, if project development timelines are not met, the Authority may recapture or may</p> |

The Authority will also require that the applicant file a 5-year deed restriction on the property utilizing the Authority's required restriction language. The deed restriction will be released by the Authority after 5 years from final Project closeout.</p> <p>The Grant Agreement will detail the funding disbursement process. Following the execution of the Grant Agreement, Grant funds will be disbursed either incrementally as eligible project expenses are incurred and may be prorated with other funding sources, if applicable, with the Authority's standard construction retainage withheld until project completion or grant funds may be disbursed in coordination with the other funder's disbursement process. Funding disbursement requests must be evidenced by documentation supporting that the expenses were incurred, work has been performed in accordance with prevailing wage and labor standards compliance requirements, and work was done consistent with Grant approval and eligible uses of Program funding.</p> |
| Fees | As allowed by EDA's recently revised fee rules, no application fee will be charged because EDA is using part of the funds for EDA's administrative costs. |
